

MEMORANDUM FOR THE RECORD

8 September 1953

SUBJECT: Request from GSA for Information for Space Planning

1. Mr. Louis R. Torpy called the undersigned with regard to the above subject. I indicated to him that as in the past we would send a written letter stating that we cannot provide the detailed information requested.

2. He pointed out, of course, that since GSA funds had been cut they would need some sort of basis for planning purposes. I indicated to him that we were aware of the fact that we must work with the GSA people on this and that we would be in touch in the near future through the usual channels.
